## OUR SERVICES

### 3D DESIGN SOFTWARE

See your design come to life with our software. Make color and finish changes to your closet system instantly, until it's just right.

### PERSONAL DESIGN

We will custom-design a storage solution that fits perfectly in your home and help you stay organized!

### START TO FINISH SERVICE

We take care of all the details: measuring, design, ordering, tear down, installation & clean-up.

### INSTALLATION

Pantry  
Murphy Bed  
Closet  
Garage  
Home Office  
Laundry Room

Tailored Living was very professional, honest and detailed in discussing our options. The installation crew was on time, courteous and their workmanship was great. We couldn't be happier with the end product and customer service.
